I heard about the hassle over Campbell walnut trees and I think that Saratoga group ought to stay in their own city and leave our walnut trees alone.

Long Time Reader

I wish to thank and commend the city police department, fire department and Safeway store management for the prompt and courteous action taken when my car caught fire while I was shopping in the store last Wednesday morning. They did a fine job.

Bess McCurdy

During the mess along Campbell avenue (while major roadwork was going on) many motorists suffered damage to their cars, their tires to be exact. I know of at least one owner who wrote to the city manager about it . . . and hasn't received a reply.

Angry Motorist

Editor's note: The city manager's office did receive one letter which was immediately referred to the public works department. The letter, received on a Monday, stated that the woman felt her tire had been damaged due to a jagged piece of pavement on Campbell avenue. According to Administrative Assistant Charlene Case, within three days a letter was on its way to the contractor explaining the complaint and enclosing a copy of the letter. A carbon copy was mailed to the young woman the same day. Essentially the letter was to inform her that her complaint should be pursued with the contractor since he is responsible for the condition of the roadway during the loop street construction.

I don't see how the San Jose fire chief can order Campbell paramedics not to answer calls (in the San Jose area) if they're already going to be sending out an engine anyway. What's the difference to him if they send an engine or the paramedics?

Just Outside Town

Editor's note: Chief John Gerhard's position regarding paramedics has been that voters in San Jose turned down funds for that service at the polls.

I don't drive and I miss being able to walk to the Brentwood market in Kirkwood Plaza. What's happening?

A Reader

Editor's note: According to a spokesman for the Kirkwood Plaza property owner, the market people say they're remodeling and plan to re-open the store. No date has been set, however.

Just wanted to let you know how much we appreciate the coverage of Bellarmine sports by the PRESS. There's quite a few students at Bellarmine from the Campbell area. I understand they have a recent article pinned up on the bulletin board in the gym. Anyway, keep it up.

City trying to return a gift

HOW DO YOU return a training jet to the U.S. Air Force? That's the problem Campbell Parks and Recreation commissioners are facing.

The F-84 trainer, sans gun mounts, fuel tanks, etc., was donated to the city by the Air Force in 1963 and has been one of the most popular pieces of play equipment at Campbell Park with the young set. But not so popular with city staffers.

They report maintenance costs are excessive and that, with repeated van-

From a distance, the old Air Force training jet looks harmless but city maintenance workers say jagged edges from the sheet metal have caused a couple of injuries to local youngsters already.

Public works bill

Campbell seeks $2 million funding

By PAT SAFFORD

The purpose of the new Public Works Bill, signed into law by President Gerald Ford this week, is to put people to work. And Campbell would like to see a big work force busy in this city.

Applications for over $2 million in public works projects will be submitted to the Economic Development Administration of the Department of Commerce just as soon as the filing date opens. That's expected to be some time next week, according to Public Works Director Joe Elliott.

"We're going ahead full force on this," Elliott declared Tuesday. "This is the main project here at the engineering department."

The only fly in the ointment is the fact that every city and county in the country is expected to follow suit to get their piece of the pie. Grants under this fully funded program (cities don't have to come up with matching funds) is based on a formula using unemployment rates in each area. On this score Santa Clara county rates higher than many areas and lower than some too; Alameda County for instance.

Projects to be submitted for federal funding include:

- Construction of the north loop street (Civic Center Drive) at an estimated cost of $425,000. The loop street bond funds will take care of acquisition of property for the second loop street ($400,000) but not construction costs.
- Widening of Winchester boulevard, from south of Hacienda avenue to the south city limits ($450,000).
- Revamping the intersection of Campbell and Winchester boulevard with new signals and approaches ($150,000).
- City Hall renovations and completion of the first level ($97,400).
- Revamping downtown Campbell avenue, including a possible semi-mall development ($500,000).
- Street maintenance ($500,000).
- Phase III improvements to John D. Morgan Park, including a lighted softball field ($90,000).
- Traffic signal installation ($200,000).

One of the hitches in the new bill is that any projects submitted must be able to be in progress within 90 days from the date the application is approved. That caused one item under consideration earlier (construction of a new fire station) to be removed from the city's wish list.

No one expects Campbell will get funding for all the projects. But, like other federal and state funding, if you don't apply you don't have any chance.

At a study session Monday night Councilmen Dean Chamberlin said the city has missed the boat many times in the past, as far as applying for special funding.

"We won't in the future," he declared.

The rains came to the parched valley floor in earnest last week as a storm, complete with thunder and lightning, dumped 1.24 inches of raindrops in Campbell. Above, Al Overholt stopped traffic on Railway avenue last week as he posed for a "rainy type photo" in one of the biggest puddles in town . . . before Friday's storm. According to Bob James, office manager for the Campbell Water Company, we've had a total of 1.80 inches of rain so far this season, compared with the normal total of .22 and last year's .88 inches. "I'm tending to think we'll have a higher than normal year (for rainfall)," James predicted Monday. The normal total for the season, through July 1, is 15 inches.

Blackford vp resigns

HANK DACUYAN, vice principal at Blackford school, resigned his post with the Campbell elementary school district last week to accept the job of principal at Hoover school in the Cupertino Union School District.

The Los Gatos man was with the local district 10 years and his duties included teacher, summer school principal and director of the district's recreation program.

Dacuyan replaced Victor Norton at the Cupertino school, who left to take an administrative post in Turlock.

Rogers gets nod from committee

Directors of the Campbell Chamber of Commerce were scheduled to meet yesterday at noon to consider the appointment of Theodore A. Rogers for the vacant post of executive vice president.

Rogers, 60, was recommended from among over 150 applicants for the job by the selections committee made up of the Chamber Board of Directors, committee chairmen and Mayor Ralph Doetsch. That recommendation was to be acted upon by Chamber directors yesterday.

While there were seven "locals" among the nine finalists for the job, the committee picked one of those from out of the area. Rogers, of Glendale, has been a professional staffer for the Boy Scouts of America since 1950.

Decision on fire station due Monday

TO SAVE OR not to save the Central ave. fire station is the question that comes before Campbell city councilmen this Monday, October 11 at the City Council session. The meeting begins at 8 p.m. in the Council Chamber, 75 N. Central ave.

A decision is needed soon on whether or not to include that city-owned land as part of the downtown parking district. Earlier the city's Civic Improvement and Parks and Recreation commissions voted to recommend that the building be saved for other purposes when the present station is relocated. Also on record as favoring that move is the Citizens Goals Committee. The two other city commissions took no official action on the question but a straw vote of planning commissioners during a recent discussion of the issue showed a split with two in favor and two opposed. The fire station question was expected to be one of the main topics of discussion Monday night at the study session between the Council and members of the Goals Committee.

NO SITE FOR the new fire station has been decided yet, but the current favorite is the city-owned land at the corner of Campbell ave. and Gilman (now part of Campbell Park).

Proponents of saving the station argue that it could be used as a community center, to house senior citizen programs, community services or perhaps the local Chamber of Commerce offices. Opponents say that property is needed for additional parking spaces for the downtown off-street parking district.

The state got into the act here earlier when the historical landmarks commission declared the building a point of historic interest. Local history buffs say the building has value since it was the first city-owned building and housed the first city offices.

Those who oppose saving the building say they doubt its historical significance (since it was built in the early 1950's) and say that renovations to convert it into a fire station have radically altered the original appearance.

Meanwhile, the building continues as one of the city's two fire stations.

$34,500 to start

Strong leader sought for school district

THE NEW CHIEF of Campbell elementary schools must hold a master's degree, have demonstrated administrative competency and hold a general or standard administrative credential (or be qualified to obtain one), school trustees decided last week. The new superintendent will also have a starting salary of $34,500.

Last Thursday board advisor Dr. Roy Adamson reported the results of his contacts with the community in a written report to the board. The results of those talks were part of the basis for a list of 10 desired qualities which the board is also including in the drive to find a new superintendent.

They include:

- A strong, decisive person who can remain firm in the face of opposition.
- The ability to establish and maintain credibility with staff and community.
- The ability to communicate in a straightforward manner with all members of the education community.
- The ability to evaluate the quality of programs at all educational levels in relation to the allocation of funds and personnel, and to determine an equitable balance.
- The ability to determine and implement system-wide educational goals and objectives in relation to the needs and desires of the community.
- A strong conviction in the importance of the basic skills.
- A "people" person who can get things done.
- The ability to resolve conflict in a positive manner.
- The ability to lead staff and community toward helping students establish more effective behavioral patterns.
- Experience in the field of school business, financial management and employer-employee relations.

Under the timetable set out in earlier meetings, a screening committee will narrow the field of applicants so Campbell trustees can begin interviews during the first week of January.

SELECTION OF the new schools chief is targeted for January 27, 1977.

In his report to the board Adamson said the district "has the potential to return to the role of an effective, high status school district; that it is beset with many problems; and that it now needs someone to help 'pull it all together'."

During recent months there has been wide-scale resignations including the Superintendent, Deputy Superintendent, Assistant Superintendent-Business Services (this resignation was later withdrawn) and several principals and vice principals.

Adamson warned last week, "It is also understood that the selection of a new superintendent, in itself, will not resolve all of the problems."

PUTTING the finishings touches on the new railroad crossing warning system on Orchard City drive last week was Maynard Rogers. Total time elapsed to install the new system was seven and a half hours. As soon as the new south loop street is completed (in about four weeks) the new signals will be in operation. Plans call for converting Campbell avenue into a one-way westbound street with Orchard City drive for eastbound motorists. Eventually, when the north loop is completed, through traffic on Campbell avenue will be halted. In the planning stages is a downtown mall development, similar to the one in Santa Cruz, and city officials have submitted a funding request for that, along with other projects, out of the new federal public works bill.

Not old enough

Great tree idea down the tubes

THE GREAT DEBATE over the age of Campbell's two giant black walnut trees ground to an abrupt halt last week as the man who originally wanted to donate a plaque at the site quietly withdrew his request to the City Council.

According to a family member, Lee Lesh, a Saratoga tree surgeon, has abandoned plans to honor the two huge trees at the corner of Harrison avenue and Campbell as part of a nationwide bicentennial project. Lesh, and the Saratoga Horticultural Association, are reportedly looking elsewhere for another tree to honor.

The reason: Campbell's trees just aren't old enough.

Originally Lesh and another association member inspected the two walnuts and measured the diameter of the trunk (a typical procedure in gauging the age of trees). Lesh estimated their age at well over 200 years, and possibly as high as 300 but, almost the minute that pronouncement was made, local historians were disputing it.

According to Jeanette Watson, civic improvement commission chairman, the trees may be octogenarians but 200 years old — never.

Lee Critchlow, chairman of a historical committee investigating the city's past, says William Swope and his three daughters reportedly planted those two trees about 1890.

Reason for the girth of the trees, Mrs. Watson explained, is because the saplings were supplied with an abundance of water from a 36-inch concrete irrigation pipe which went underground at that spot.

"Those trees probably had the best watering in town," Mrs. Watson added.

So for now, there's no bronze plaque in the future of Campbell's historic walnuts. Not that the trees aren't special. It's just they're not old enough.

siren sounds

ARMED ROBBERY

A small used book store was held up last Sunday and the thief reportedly escaped with $25 in cash after hitting the clerk on the head with a beer bottle.

According to police reports, a clerk at Linger Awhile Books, 1365 Hacienda ave., was struck from behind as he sat reading in the back of the store. The thief scooped up currency from the cash drawer and fled on foot with the clerk close behind. The assailant quuckly outdistanced the clerk. Paramedics later treated the clerk for a scalp laceration.

SOME WELCOME HOME

A Campbell man returned to his Virginia avenue home Monday after work to find his home had been broken into.

Reported missing was stereo equipment valued at $750.

SCHOOL RIPPED OFF

Coventry school reported cassette tape players, valued at $245, missing last week.

The equipment was stolen from one of the classrooms, school officials said.

SKIMMING THE RENT

The former manager of a Campbell apartment complex will be hearing from local police soon.

According to reports, the owner claims the man has been collecting rents from tenants and then reporting they hadn't paid to the owner. The man had reportedly been giving receipts to the tenants and, on rents reported as partly paid, giving different receipts to the owner.

Total value of the theft was estimated at $2,000.

PRO-LIFE COSTS MORE

EDITOR:

Do those who support the "Pro-Life Groups" realize what prohibiting use of Medi-Cal for abortions will cost? They claim the taxpayer should not pay for this. This legislation will not stop abortions to any extent. The last year before legal abortions, there were over 1 million.

The only persons who will probably no longer be able to have an abortion, due to lack of ready cash, are the poor or the young persons on welfare rolls.

The average cost of an abortion in Santa Clara county is $165 to $200. The average reasonable cost for delivery of a new baby in Santa Clara county is now about $1,600 if there are no complications.

For those very persons who could not pay for an abortion, welfare (Medi-Cal) will pay for this. The client will have probably been on aid since the third or fourth month of pregnancy with maximum aid for two persons $258 per month.

That is no savings to the poor taxpayer. The young person who is forced to continue her pregnancy because of lack of money also usually does not have the age and experience to hold a job and provide for the needs of her child.

Therefore, after the birth of the baby, the mother and child can remain on aid for 18 years (until he's grown). Thus the cost to the taxpayer, at the present standard of $3,096 per year, could amount to $55,728 plus benefits for food stamps and all medical expenses. All this to save the taxpayer the cost of a $165 to $200 abortion.

This does not consider the trauma to the person who is not ready for the birth of a child and is deprived of financial aid for an abortion. This does not also consider the greater health risk to the mother. Medical records show that the death rate from the birth of a baby is far greater than from any legal abortion.

NO VOTER CONTROL

EDITOR:

Over the years, the voters of the West Valley Community college district have believed they could regulate the growth of both the colleges and its tax rate by voting against the college bond issues. Unfortunately, this assumption is untrue.

By the terms of the Community College Construction Act of 1967, if a district can prove that it has more students than facilities to handle them, and if the voters of the district turn down a bond measure to build the additional facilities, the district can apply to the state for construction funds. In the case of West Valley College, the state has provided half of the construction money and the local taxpayer the other half. The local money comes from either reserves, a tax override (imposed by the college district governing board) or a combination of both. Consequently, as taxpayers we have little influence and no control over the purse strings of the college and our tax rate shows it!

The rates of the four Santa Clara county community colleges, according to the Santa Clara County Department of Finance, are as follows: West Valley ($1.054 per $100 assessed valuation); San Jose City College (.775 per $100); Gavilan (.767 per $100 and Foothill-De Anza (.728 per $100).

That means that, as residents of the West Valley College district, we pay 36 per cent more than San Jose City College, 37.4 per cent more than Gavilan and 44.8 per cent more than De Anza-Foothill.

Without a doubt we have a beautiful and expensive campus in Saratoga, and if the plans are followed, an even more beautiful and expensive campus in Santa Clara. But how much of the cost is really necessary for quality education and how much is educationally unnecessary extras? Do we really need a large tax-supported "country club" and leisure time facilities for adults? Should not our tax dollars be spent primarily for basic education and vocational training?

The West Valley Taxpayers and Environment Association came into being because a growing number of citizens of the West Valley Community College district were unhappy with the way their tax rates were rising and their community college tax dollars were being allocated. The association's first action is to oppose the planned football stadium. Specifically, the members feel that the $500,000 from local property taxes which has been set aside for the transformation of a practice field to a stadium should either be returned to the taxpayers in the form of lower taxes or spent on educational necessities. If you would like to know more about the Association, please write Box 852, Saratoga, 95070.

SAVE THAT "EXTRA"

EDITOR:

We've had numerous calls asking, "When is the Election Extra coming out? It's the best way I've found to become informed before voting."

As the election draws near, we'll get many calls from people who forgot to save it and want another copy, so we encourage your readers to save the one in this week's issue. Besides extra copies for individuals, the League can also supply bulk quantities for organizations, church groups, businesses, homeowners associations, etc.

For information, call your local League of Women Voters.

CREATING KILLER-CLIMATE

EDITOR:

In 1975, dog racers, calling themselves humanitarians, threatened to slaughter 300 of their greyhounds as a protest against the size of their purses being offered by the Arizona Greyhound Racing Association.

Also in 1975, nearly 50 per cent of all potential racing greyhounds were brutally destroyed before seeing a track because they were not fast enough to satisfy the fun and profit creed of their owners. Their reward: "medical research" or gas or decompression chambers. And thousands of rabbits and kittens were torn to pieces by greyhounds in training exercises called "coursing" because dog racers are convinced their dogs must have the taste of fresh blood.

In 1976, dog racers are asking voters to create the same savage, killer-ground climate in California.

Profit, yes. Animal welfare, who cares?

In 1975, the F.B.I. began criminal investigations of the two dog racing tracks in New Hampshire after Governor Thompson reported violence and suspected involvement of gangsters and hoodlums. In Arizona, dog racing has figured prominently in scandals involving underworld figures. And, in California in the 1930's, dog racing became so corrupt it was abolished.

Will a decision at the polls in 1976 honor our animals, our people, our state?

It will if the voters answer NO to Proposition 13.

Larry Ziebell
Cupertino

YOU CAN'T FOOL JOHN Q

EDITOR:

I would like to address myself to the Proposition 13 issue from the taxpayers' position.

The simple fact of the matter is that our state legislature has studied similar bills on several occasions, most recently in late 1974, when it appeared and was defeated as AB 455.

Certainly the least thoughtful voter cannot believe our legislature is inclined to consistently reject a source of tax revenue unless they recognize it will be more than cancelled by the cost to the taxpayers for crime control, animal control and the administration of any special funds if and when they materialize.

It is worth noting, that under the terms of prop. 13, no money, not a cent, will go to the state's general fund, the source of financing for most state services, including education.

Mr. Hardie has proposed the funding of certain education-oriented programs for bilingual schools and high school sports. After a careful study of these offers, within the general context of dollars available for education, our State Superintendent of Schools, Wilson Riles, has branded Prop. 13 as a gambling hoax which invites corruption and higher taxes. His sentiments are echoed officially by Mayor Pete Wilson, president of the League of California Cities.

I suspect Mr. Hardie is going to find it equally hard to trick old John Q. Public.

Oct. 9 through Oct. 15, 1976

ARIES (March 21-April 19): Every time you raise a ruckus, Ari, you also raise your blood pressure. Petty annoyances loom as gigantic this week. Hit the feathers early. Sleep is still the best (and cheapest) medicine.

TAURUS (April 20 - May 20): Sharing emphasized this week. Seek out loved one and share the bitter as well as the sweet. When you share, Taurus, the bitter becomes bearable and the sweet becomes sublime. Week ends with a sigh.

GEMINI (May 21-June 20): Change is in the wind, my gentle Gem, but do be careful not to become involved in that which is cutrate. You're a first-class gem, you know, and only the finest setting will do. Message clears.

CANCER (June 21-July 22): Interesting message highlighted. You are privy to hush-hush info. Don't blab. Avoid one whose kindling point is low, little crab, but if confrontation seems unavoidable then wear asbestos knickers.

LEO (July 23-Aug. 22): Stop picking at emotional wound, Leo. If you truly want it to heal, you wash it, bandage it and then FORGET IT! You must give Mother Nature a chance to do her number. End of week finds you on recovery list.

VIRGO (Aug. 23-Sept. 22): You're cooperative and persevering as a love partner, Virgo, and thus you're able to keep a relationship going in spite of seemingly insurmountable odds. In fact, you not only keep it alive . . . you see to it that it actually flourishes!

LIBRA (Sept. 23-Oct. 22): "Falling in love with love" is always a problem for you, Libra. You want so much to share your life that you're apt to rush into an emotional relationship before you're ready for it. Message highlighted this week. Your anxious heart does flip-flops.

SCORPIO (Oct. 23-Nov. 21): Your powerful emotional level finds positive outlet through ACTION. You feel intensely, passionately and ardently, Scorp, and if partner doesn't reciprocate, you simply move on. Pablo Picasso epitomized the true Scorp . . . stubborn, strenuous and sexy as the devil!

SAGITTARIUS (Nov. 22-Dec. 21): You not only get along well with others, Saj, but you have knack of making them get along with each other when you're on the scene. Ennui, the constant scourge of the idle, never bothers the likes of you. Busy week ends with a sigh.

CAPRICORN (Dec. 22-Jan. 19): Who knows how to be charming without being shallow? And sexy without being vulgar? You, Cap, that's who! You intuit. Though you're pragmatic down to your heels, Cap, this week you waver . . . but, just a teensy bit. By last day you are in complete command of practically everything.

AQUARIUS (Jan. 20-Feb. 18): Because you're totally unpredictable, Aquari, you're one of the most complex and unique people in the Zodiac. Your interest in the well-being of others makes you a prime target for Humanitarian of the Year Award for 1976. Week of decisions ends on blithe note.

PISCES (Feb. 19-March 20): Prejudice is seductive, Pisces, and can lead you down the garden path. Upon your return, howeverr, it is Reason who waits by the door. And you'd better come up with a sensible explanation, little fish. None of your famous (glib) alibis will do. Message clears.

Swine flu clinics set for Campbell area

SENIOR CITIZENS and those with chronic illnesses will be first in line next week as the county-wide swine flu immunization clinics get underway. The general population gets to roll up their sleeves beginning Tuesday, Oct. 19.

Locally, shots will be given at the West Valley Progressive Senior Center, 41 W. Rincon ave. on Friday, Oct. 15, from 9 a.m. to 3 p.m. Also close to home is the clinic at the Jewish Community Center, 3002 Leigh ave., on Tuesday, Oct. 12, from 9 a.m. to 3 p.m.

Those 60 years of age and over and the medically high risk groups 18 years and older, will be receiving a bivalent shot which covers both swine and Victoria flu. In this case, high risk includes those with chronic heart disease, asthma, bronchitis, cystic fibrosis, tronchiectasis, tuberculosis and emphysema. Also included are those with chronic renal failure, diabetes mellitus and other chronic metabolic disorders.

A SECOND immunization program is scheduled at the Campbell senior center on Friday, Oct. 22 from 9 a.m. to 3 p.m.

The general population will receive a vaccine for swine flu only, beginning Thursday, Oct. 21, at Good Samaritan Hospital, 2425 Samaritan drive. Persons who have known hypersensitivity to egg protein should not be given the flu vaccine except under the close supervision of a physician.

Good Samaritan clinic times are; Oct. 21 (5 to 9 p.m.); Oct. 22 (1 to 5 p.m.); Oct. 23 (9 a.m. to 5 p.m.); Oct. 24 (1 to 5 p.m.); Oct. 28 (5 to 9 p.m.); Oct. 29 (1 to 5 p.m.); Oct. 30 (9 a.m. to 5 p.m.), and Oct. 31 (1 to 5 p.m.).

For more information about any of the flu clinics, contact the county Health Department, 297-1636.

School workers sign contract

LAST WEEK Campbell elementary school trustees and classified employees reached agreement on a new contract that calls for a 4 per cent salary hike plus an additional $50 a month across the board raise (part-time employees will receive a prorated amount).

In the first local settlement under the new collective bargaining act, non-teaching employees also received expansion of the professional growth policy which allows additional pay for completing education courses.

Meanwhile, negotiations continue between representatives of the board and the certificated employees.

Other provisions of the new classified employee contract include:

- A modification of the formal grievance procedure plus a new way to handle lesser complaints in an informal manner.
- A change to allow continued health insurance benefits at an earlier retirement date. Under the old policy benefits went to retirees who had reached age 60 and had 15 years of service. Now a formula is used which combines the individual's age upon retirement plus years of service. If that totals 75 points or more the employee is eligible for continued benefits.
- The policy regarding leaves for health purposes was modified by removing some words that classified employees objected to.
- A change in wording under promotions and reclassification policy.

SCHOOL SITE TOO COSTLY

The Campbell Civic Improvement Commission will recommend against the city trying to purchase the old Campbell grammar school property, it was decided last meeting. The downtown parcel is viewed as "an extremely valuable piece of commercial property," commissioners said.

While the group made note of many possible uses for the site, declared surplus by the Campbell elementary school district, cost was the big stumbling block. A park, auditorium or community center would be possible city uses, commissioners said, but added: "The commission feels that it would be unwise for us as a city to attempt to undertake such a monumental financial task as the purchase of the old grammar school site."

MORE TORN UP ROADWAYS

Work was scheduled to begin Monday on a $600,000 project to pave portions of the north and southbound lanes of Highway 17, from Camden avenue to the Alameda-Santa Clara county line.

Paving operations are scheduled, weather permitting, Sunday through Thursday evenings, from 8:30 p.m. to 6 a.m. and at least one lane will remain open at all times.

Plans call for finishing the face lift in early February.

ALMOST A 700 DROP

Moreland school district reported 6,041 students enrolled on Sept. 23, compared to 6,729 last year. According to Superintendent Richard D'Avis, total enrollment is expected to climb to 6,312 during the school year.

HOMEOWNERS' EXEMPTION CHANGE

Individuals and families receiving public assistance may now be eligible for 80 per cent of the homeowners' exemption on their property tax for 1976, state officials announced last week. Included in the new bill (AB 2972) allowing exemption are those receiving Aid to Families with Dependent Children, General Assistance, Aid to the Potentially Self-Supporting Blind and recipients of the gold-colored check from the U.S. Treasurer marked "state payments included."

To qualify property owners must file a claim with the county assessor before 5 p.m. Dec. 1.

COLLEGE OFFERS FIRST AID COURSE

Individuals can now earn their Red Cross standard first aid card through classes starting this week at West Valley College.

The 18 hours of instruction include emergency resuscitation, splinting, bandaging, treatment of poisoning and burns, and other related topics.

Classes start Saturday, Oct. 16, at the county Health Department. For information and registration call 867-2200, ext. 293.

Dons, Braves in 7-7 draw

IT'S SAID THAT a rain-soaked field is the great equalizer in a football game.

Well, that may or may not be true. But it certainly appeared as though it was last Friday when Del Mar and Blackford locked up in their West Valley Athletic League opener on the wet Don turf.

The Dons and the Braves fought to a very equal 7-7 tie in the WVAL lidlifter under dark, cloudy skies.

A second period Blackford touchdown and a third period Don score were the only points recorded in the muddy skirmish at Del Mar.

"It wasn't much of a game," admitted Del Mar coach Jim Clifton. "Both teams had chances to win the game but were unable to capitalize on mistakes."

"The conditions were very bad," he added. "But they had to play under the same conditions we did."

Blackford scored first in the game on a short one yard run after converting a first down on a very important fourth and eight situation at the 12.

The Dons fought back from the 7-0 deficit to tie things up in the third.

Tom Harris found Sig Knapstad open for a 23 yard scoring strike in the third and Yogi Taylor booted the extra point to deadlock the game 7-7.

Harris went to the air 12 times in the game and completed four passes for 68 yards. He was intercepted twice.

Knapstad caught the scoring toss and Taylor, George Rodriguez and Bob Onetto each pulled down one pass for the Dons.

ONETTO ROMPED for 30 yards on eight carries and Dennis Perry gained 30 yards on 14 tries to lead the Don ground attack.

Leading the charge up front for the Dons in the game were tackle Pete Angelidakis and guard Tim Holland.

"Angelidakis played well both ways for us and Holland did a good job offensively," said Clifton. "Onetto and Perry also played well offensively. Onetto didn't lose any yardage in the game."

Del Mar rolled up 120 total yards in the game while Blackford finished closer to the 200 yard mark.

"We didn't have a real good day offensively, but they were playing in the same conditions we were," added the coach. "Under the situation, we didn't do all that well, but we didn't do all that bad either."

"We did a pretty good job defensively," said Clifton. "We tried to pressure their quarterback."

The Dons did put pressure on the Brave signal-caller, forcing him to throw three interceptions and sacking him three times.

Dave Garcia picked off a pair of passes for the Dons in the tie and Blake Fearnside grabbed one interception. Dave Heckert, John Riccitiello and Mark Herrera each dropped the quarterback for Del Mar and Angelidakis covered a Brave fumble.

Linebackers Fearnside and Ernie Watkins, lineman Angelidakis and back John Head paced the show for DM in the game.

The Dons are now 1-0-1 on the year and will gun for their first league win of the year Friday when they visit Prospect for a 3:30 p.m. game.

"We saw them against Soquel and they looked very good," said Clifton of Prospect. "They're much improved over last year. We'll have to play a super game to beat them."

"Their quarterback is very good," said Clifton. "He runs the option and passes well. He's the key man in their attack. We feel we have to put a lot of pressure on him to stop their offense."

INTERCEPTION RETURN — Campbell's Galen Strannigan returns a pass interception for a big gainer against Lincoln. Strannigan picked off two passes in the game but the Bucs still fell to the Lions 25-12.

(Photography by Jim Robison)

Campbell upset 25-12 in non-league battle

"NOT TAKING anything away from Lincoln, I was really disappointed with our overall performance. We stunk!"

His words were harsh, but then Campbell head coach Al Matthews wasn't too happy about watching his club suffer a 25-12 non-league loss to the Lincoln Lions last week.

"I'm really upset," continued the Buc boss. "We shouldn't have lost. I felt we were a couple of touchdowns better than they were."

But instead of beating the Lions by a couple of touchdowns, the Bucs found themselves trailing 25-0 before they ever got on the scoreboard.

Back-up quarterback Rick Fournier capped a 70 yard drive in the fourth quarter with a 12 yard touchdown run. Fournier had set-up his own TD scamper with a 40 yard screen pass to Carlos Velasco.

Fournier, filling in for starter Dan Trinidad, completed six of nine passes for 101 yards without an interception.

Velasco, who carried the ball 10 times for 34 yards on the day, scored Campbell's second touchdown on a 15 yard romp, completing a 50 yard drive.

Campbell actually outgained the Lions in terms of total offense, ringing up 249 yards to Lincoln's 205. But the Lion specialty teams scored a pair of touchdowns and that proved to be the difference in the game.

WHILE FOURNIER gave the Bucs a solid passing game, Campbell failed to have much success on the ground. Tony Kiles was the loser's top rusher with 44 yards on six carries.

Although the Lions scored 25 points, only two touchdowns came against the Campbell defense. Defensive captain Mark Ryan led the Bucs with 14 tackles while linebacker Dave Burns registered 12 hits. Steve Sexton and Rich Kiss were both credited with quarterback sacks and Galen Strannigan picked off a pair of passes.

Campbell opens its West Valley Athletic League season Friday afternoon at home against the tough Camden Cougars in a 3:30 p.m. contest.

"We have a lot of work to do before then," said Matthews. "But I think we're capable of playing good hard-nosed football. We'll have to in order to beat Camden. We have to be alert and out-hit, out-tough and out-run 'em."

"Camden is a big and fast football team," Matthews added. "They have three or four of the best players in our league. I just hope we put everything together against them."

Westmont drops defending champs

'Important' win for Warriors in opener

By DAVE MENDONCA

IT WAS THE first game of the West Valley Athletic League season — but it may have been the most important.

The Westmont Warriors, behind the strong right arm of Randy Scacutto, posted a come-from-behind 15-12 triumph over defending league champion Los Gatos in a game that had been touted as the WVAL title decider.

"It was a good comeback and a good win for us," understated Westmont head coach Don Stagnaro. "But we're just playing one game at a time. I still think that Los Gatos is the best team overall because they have the most depth in the league. They may not have the best talent but they have the most depth."

And Stagnaro feels that depth will keep the Wildcats in the race for the league championship, especially if some of the other contenders suffer any key injuries.

The Warriors were struck by just such an injury last Friday when it was learned starting cornerback Steve Nuich would be lost for the rest of the season due to a knee injury sustained in the win.

Nuich's injury dampened an otherwise perfect afternoon for the Warriors.

Westmont had grabbed a somewhat surprising 9-0 lead by halftime. But Los Gatos came roaring back in the second half to score touchdowns in the third and fourth quarters, assuming a 12-9 lead with less than seven minutes to go.

THINGS LOOKED bleak indeed for the Warriors when the Wildcats' Claude Kramer recovered a Westmont fumble in the end zone for a touchdown midway through the final period, erasing a 9-6 Warrior lead.

But on the very next series Scacutto found running back Greg Athern all alone over the middle and completed what turned out to be a 65-yard touchdown pass.

Los Gatos failed to move following the ensuing kick-off and the Warriors, aided by a heavy downpour of rain, ate up the final two minutes of the clock without ever giving the ball back to Los Gatos.

The Warriors had stunned the Wildcats in the opening minute of the contest when Scacutto hurled a 70-yard touchdown strike to wide receiver Rocky Pena on the second play of the game.

Scacutto completed seven of 19 passes on the day for 175 yards. Four of his passes wound up in the dangerous hands of Pena, who turned the receptions into 100 yards' worth of Warrior gains.

Rick Alvear upped Westmont's lead to 9-0 with a 22 yard field goal on the final play of the first half.

But Los Gatos climbed back into the contest in the third stanza when quarterback Bob Comeau capped a long Wildcat drive with a one yard touchdown plunge. A 15 yard penalty assessed against the Warriors kept the drive alive.

The Warriors rang up 281 yards of total offense on the day to Los Gatos' 160. Eric Stark led the Westmont land attack with 60 yards on 16 carries while Scacutto piled up 42 yards on 14 totes.

BUT IN THE long run, it was the Warrior defense that proved to be the difference in the game.

"The defense bailed us out several times," praised Stagnaro. "The defense made some big plays in many key situations."

Shane Truan spearheaded the Warrior defensive effort, making a couple of big stops. Pat Riley, Byron Nobriga, Matt Heath and Jim Pappa also turned in big plays on defense.

Westmont aims for its third win in as many outings Friday afternoon when it travels to Blackford for a 3 p.m. tilt with the much improved Braves.

"They're a real tough ball club," noted Stagnaro. "I'm expecting a real tough game."

Forecasters hit dismal week in prep circuits

IT WAS A rather rugged week for the predictors of high school football games at this paper — did I say rugged, I meant dismal!

The seers barely kept their heads above water with a 4-3 week in the Santa Teresa Athletic League and suffered through a tough 1-3 week in the West Valley Athletic League, with the results of the Camden-Prospect game still not in.

The only saving grace in the week of prep predicting was another perfect pick — our second in as many weeks. And it was the second straight week our perfect pick included the Willow Glen Rams.

We picked the Rams to knock off Homestead by six points and Willow Glen came through with a 13-7 win.

This week things look a whole lot better, though, and we're looking for great things to happen to our season record.

THE TEAMS of the STAL will open league play Friday. Gunderson heads to Willow Glen for a 3 p.m. game and will fall by six to the Rams. Leland and Lincoln lock horns at 7:30 p.m. at San Jose City College and the Chargers will win by 10.

Pioneer will head south to Live Oak and San Jose will go to Gilroy for 8 p.m. games. The Acorns will knock off Pioneer by 14 and the Bulldogs will bring home a three point win.

In the WVAL, Del Mar travels to Prospect, Westmont goes to Blackford and Camden journeys to Campbell for 3:30 games. The Dons will win by eight, the Warriors by 10 and the Cougars by eight in the three games.

Jones moves in as C-M president

THE CAMPBELL-MORELAND Pony-Colt League's newly elected board of directors will be headed by Ray Jones, who succeeds Ray Knight as president of the youth baseball organization.

Jones, who resides at 1530 Archer Ct., had served as a Pony manager the past two seasons. His wife, Sandy, also active in the program, was recently elected chairman of the women's auxiliary.

Ralph Pfirrman was re-elected Pony vice-president and Bob Devor was elected Colt vice president. Ray Knight remains on the board as player agent; Ken Casteel was elected treasurer and the two at-large positions were filled by P. H. Kephart and Chuck Calhoun. The nine-man board is completed by Bud Stallings, managers' representative.

Other women's auxiliary board members include Beverly Kephart, vice chairman; Florence Horton, secretary; Carol Lindsey, treasurer, and Gwen Allen, purchaser.

Two league social events are scheduled this month — dinner-dancing Thursday night at El Charro Restaurant, and a Halloween party Saturday, Oct. 30, at the Pony clubhouse.

Ticket reservations for the dinner at El Charro's can be made by contacting chairman Ray Haney, 378-6991, or Sandy Jones, 379-5835. The donation is $5 each for a Mexican combination or shrimp dinner. Cocktail hour at 6:30 will be followed by the 8 p.m. dinner.

The Halloween party, beginning at 8 p.m., will be a costume affair with participants bringing their own refreshment. No reservations are necessary.

A Christmas potluck party is scheduled Dec. 4 at the clubhouse.

Rainbow lose two

HELD TO JUST six hits on the day, the Del Mar Rainbows dropped a doubleheader to the Cupertino Pioneers last Sunday at Del Mar in Semi-Pro Winter League baseball action.

Cupertino handed the Rainbows 3-2 and 9-1 defeats, evening Del Mar's record at 2-2.

Del Mar rapped only four hits in the opener, solo safeties by Mark Intreri, Tom Bell, Craig Rooney and coach Gary Cunningham.

Bell, who doubled in one of the Rainbows' runs, pitched three hitless innings of relief, striking out three.

The Rainbows were limited to just two hits in the nightcap, singles by Eric Richesin and Cunningham. Richesin, who scored Del Mar's lone run in the loss, swiped three bases.

The Rainbows battle Oak Grove tonight (Wednesday) at PAL Stadium in a 4 p.m. single game. Sunday the Rainbows will be at Del Mar for a twinbill with the San Jose Hawks. Game times are 11 a.m. and 2 p.m.

Last Wednesday's scheduled contest with Redwood at PAL Stadium was rained out.

Barons nail softball ninth at Nationals

By DICK SPARRER
Sports Editor

THE NATION'S EYE was focused on Pennsylvania last August when young baseball players met in Williamsport to decide which team was the best around in Little League baseball circles.

Little Leaguers were given National attention in late August when they got together in Pennsylvania for their annual championship tournament.

But it wasn't just the Little League title that was decided in Pennsylvania this past summer. Just two weeks after the Little Leaguers were finished in Williamsport, the softball teams got together in Allentown.

And even though most of the national attention was turned to presidential campaigns and the opening of the school year for 1976-77, the best men's fast pitch softball teams the nation has to offer joined forces to compete in the Amateur Softball Association's National tournament.

The best softball teams in the United States were in Allentown for the tournament and included in the flock of fast pitch softball clubs were the LeBlanc Barons.

THE BARONS, Santa Clara Metro County champs and North Pacific Coast Regional title winners, finished a strong ninth in the National tournament, winning their first two games before losing twice to face tourney elimination.

The Barons, made up of players from the San Jose, Santa Clara and Milpitas areas, opened with a 3-1 victory over host Allentown and came back with a 3-1 win over Springfield, Missouri.

But the LeBlanc nine lost 4-3 to Detroit in its next outing and fell from the tourney after a close 2-1 loss to defending National champion Redding, Pennsylvania.

Stratford won five straight games to win the National title at the tournament.

"It was very surprising to see Stratford win the title, no one expected them to win," said Dave Hill, editor of **Balls and Strikes**, the newspaper of the ASA. "They didn't even have a team a year ago."

The Barons had to settle for ninth in the tournament, but did manage to put three players on the All-American team.

STRONG HITTING outfielder Glen Beamon won a first team spot on the All-American team for the Barons and outfielder Mike Summerbell and catcher Bill Leffler were picked to the second team.

"Glen Beamon had a super tournament," praised Baron manager Chuck Caldera of his power hitting outfielder.

Rich Hull tossed the LeBlanc club to a 3-1 win over Allentown in the National opener for the locals and Guy French pitched the Barons to the 3-1 win over Springfield.

Hull was the loser in the game with Detroit, the winners going on to finish fifth in the tourney, and French took the heartbreaking 2-1 loss against Redding, the defending champs locking up a National fourth.

WOMEN'S FAST PITCH

Stratford also won the ASA national title in women's fast pitch play, winning five straight games to pick off the title.

"It also came as a surprise to see Stratford win in the women's competition since they had lost so much to the new professional league," added Hill.

The Chico Peppers represented the Western Region at the Nationals, knocking off Atlanta 2-1 before losing twice to fall from competition.

Chico had won the Regional crown in Hayward with two wins over the Sunnyvale Bandits on the final night of the double elimination event. The Bandits won the Santa Clara County Metro title.

MEN'S CLASS A FAST PITCH

The Cal West Falcons won the SC Metro crown in the division and competed in a National tournament in Hamilton, Ohio, representing the area. The Falcons had to settle for 17th in the 51 team tournament, but still put three players on the all-tournament team.

Center fielder Oly Olson, first sacker John Figueroa and catcher Dave Hendrix each claimed all-tourney spots for the Falcons. Olson also was tabbed the top hitter in the tournament with a .500 average.

MEN'S SLOW PITCH

Warren Motors of the host city, Jacksonville, Florida, finished a near perfect 94-2 season with a win in the championship game of the National tournament.

The Bay Area Merchants of Santa Rosa were the North Pacific Regional representatives at the National event. BAM won the Regional event with a close 11-9 victory over the Pizza Shop of Santa Clara in the championship game.

The Pizza Shop had won the Santa Clara Metro title with a victory over Downtown Datsun. Both clubs advanced to the Regionals in Sacramento where the Pizza Shop ended second.

WOMEN'S SLOW PITCH

Sorrento's Pizza of Cincinnatti claimed the women's slow pitch National crown in Chatanooga, Tennessee, during the first week of September.

The Playmates of Sacramento won the Western Regional title to win a spot at the Nationals. The Hair Affair Pro's of Santa Clara won the SC Metro championship and took part in the regionals.

SANCRA CHAMPIONS

In local tournaments, a flock of teams from all over the Santa Clara County area walked off with SANCRA (Sports Association of Northern California Recreation Agencies) titles.

In men's slow pitch play, the Fly Swatters of Los Gatos nailed the BB championship and IVC of Sunnyvale nailed the B top spot.

Santos of San Jose finished the season with the SANCRA C division top spot and Golden Mushroom of San Jose won the D crown.

In a tournament held in Santa Cruz, the Pizza Hut of Palo Alto knocked off the Water Bedders of San Jose 6-3 to nab the men's B fast pitch title in early August.

In women's slow pitch activity, Rely Construction of Milpitas won the B division championship and Alpine Beer Gardens of Palo Alto took the C title.

In the lone co-ed softball tourney, the Clothes Tree of Sunnyvale won the SANCRA championship.

Oct. 14 w/be the "Grand Opening Buffet" at the **94TH AERO SQUADRON**, celebrating their new "Specialty Discotheque," manned by Mike Love on Sun. & Mon., & Chad Jeffries, Tues.-Sat. There'll be free gifts & prizes (94th Aero Squadron T-shirts) & lots of fun. However YOU MUST BRING A COPY OF THIS WRITE-UP FOR ADMITTANCE – SO BE SURE TO CLIP IT IMMEDIATELY!! There'll be a lavish hot/cold buffet 8:30-1:30 a.m. w/big band sounds of the 50's, 60's & 70's. The restaurant & disco has a World War I decor – a fortress w/machine guns & bales of hay. Their cuisine is excellent, so "Clip this write-up & take it with you on Oct. 14!!!

Traditional Japanese dining can be found at the lovely **SAKURA GARDENS** in Mt. View . . . you'll be served by kimono-clad Japanese girls who cook tableside, as you sit in a private "Zashiki Room." The dining rooms & lounge overlook an Oriental garden w/cascading waterfall. They also have a buffet lunch w/4 hot entrees – only $3. Charlie Tagawa & Vera Higdon perform in the lounge (Charlie is a master on the banjo, & Vera ably accompanies him.) **SAKURA GARDENS** can accommodate 200 patrons in their dining room (400 inc. banquet rms.). Come dine in an atmosphere of Old Japan – Sayanora!

A reader called to thank me for the fine dining tip on **PEZZELLA'S VILLA NAPOLI**, since they had been looking for excellent, authentic Italian cuisine & finally found it. They raved about Pat & Vince Pezzella's fine "Veal Pezzella" (stuffed veal sauted in wine & mushrooms) & the Brasciole Alla Napoletana (sirloin stuffed & rolled – covered w/sauce, served w/spaghetti) – excellent! Add a fine wine & you'll be back for more.

Mrs. Lillian Russell writes that she & her husband had a fabulous dinner at **VINTAGE '76** – "We enjoyed it immensely; the atmosphere was delightful; the drinks & service were very good; the help most gracious & the food was delicious. Needless to say we will be going back very soon." Don't forget Mon. spec. football dinners in the lounge from 5-9 p.m. Select from BBQ Prime Rib Bones or Polish Sausage w/Sauerkraut w/homemade potatoes. A highly regarded restaurant!

For a relaxing evening amongst old friends, stop by the **ECHO**, where you'll rub elbows w/everyone from Doctor to Butcher, from San Jose to San Francisco. Lillian Smithline gets a lot of music from the organ & I've yet to see her stumble on a request. Oops – except one: She promised to learn "An Affair to Remember" by the next time I come in. I can't wait! I love it!

Received a call from an excited reader who dined at **MALONEY'S** in the valley & exclaimed about the friendliness of the whole crew. They had a rack of lamb (which I had recommended) & it was excellent. They thought the salad bar made from an old bathtub was charming. They said no one but Terry Maloney & his gang would come up with an idea like that!

When enjoying dinner at the **LAUNDRY WORKS** in San Jose, I had an opportunity to see first-hand the impression of the diners as they admired the old fashioned dining rooms (& there are many) – an enchanting decor w/old fashioned coal burning stoves, huge fireplaces hewn out of 100-yr.-old brick walls, & many antiques all add to the warmth & appeal of the **LAUNDRY WORKS.** Lingered on for the fine entertainment of "BLISS" & it was "An Affair to Remember."

If you're sailing enthusiast, a visit to the **SEVEN SAILS** on Stevens Creek Blvd. is a must! Pictures of sailing vessels grace the walls & embossed sailing charts cover the table tops. I was entranced with the framed blue prints of the USS Constitution – many memorabilia here in addition to fine seafood selections. Do visit the **SEVEN SAILS**, you'll sail out happy.

SIRLOIN & BREW UNLIMITED in Belmont & Saratoga is such a great value for the price – it truly speaks for itself! Let's just talk about the food . . . 1st, the salad bar has everything from garbanzo beans to beets, fresh & plentiful – an unlimited amount. Next, you're treated to one of the best USDA Choice steaks available along w/a baked potato & unlimited wine, beer or sangria – all for as little as $4.59. (Couldn't help it – had to tell you the price!) Stop by for a great dinner!

Master Chef Earl Geiss has added fantastic seafood entrees on the new menu at the **GAZEBO**. They're open for lunch Mon. – Sat. 'til 3 p.m. & serve dinner evey nite 5 – 11 p.m. & in their lovely window walled dining room which overlooks a garden paradise. There's a big bar/lounge & they serve a fantastic Sun. brunch 10 til 3 p.m. In "Old Town," Los Gatos – a most popular restaurant & highly recommended.

Last week Chef Thomas J. McCombie of **PEAR WILLIAMS** did himself proud by preparing one of the most fantastic French dinners served . . . honoring the famed French writer cuisiniere Simone Beck (Simca). The menu: Fonds de Gigot, Epinards En croute, Carrottes Glacees, Riz, Salade de la Maison & La Specialite de la Maison la Pear William. **PEAR WILLIAMS** is hidden away on Middlefield Rd. & I highly recommend it. Call for a reservation soon.

A GIANT FLEA is the official mascot for the Del Mar PTA Flea Market set for this Saturday, October 9 from 9 a.m. to 4 p.m. at the 1224 Del Mar ave. high school. Shown with the Del Mar critter are, from left, Hazel James and Grace Parisewater, sale chairman. Space reservations are still available by calling 269-4749 or 371-6185. Last year over 130 vendors sold everything from clothing and appliances to skis and comic books at the PTA's major fund-raiser. Proceeds are used for scholarships and school projects. In past years the PTA has donated carpeting for the school library, benches in the school quad, a scoreboard in the football bowl, band uniforms, choir robes and display cases for school trophies. The PTA's mascot was created by Del Mar graduate Jyl Wallace, now attending San Jose state university. When the sale is over this weekend, the group says they may enter the creature in the Campbell Creature Contest.

League wins some.. and loses some

MEMBERS OF THE new Campbell-West Valley unit of the League of Women Voters met with Campbell school officials last week prior to the Thursday board session.

At issue was the scheduled executive session to discuss comments received during the board advisor's talks with staff members and parents. The League took a stand last week in opposition to holding that closed session.

Kathy Mattingly, one of those members, came away from that discussion pleased with the new agenda which resulted in most of that session being held in public.

BUT THE LEAGUE struck out on two points. First, they did not get a chance to speak that night, as requested, and second, the board did adjourn to executive session that night. (The session with Adamson lasted about 20 minutes after which the board returned to executive session for another 30 minutes).

The League hasn't given up. They've requested time on the agenda at the Thursday, October 14 meeting to have their letter read and to make comments.

film on a budget

You don't have to close out your bank account to go to the movies

By ALETA WATSON

IF YOU'RE BEGINNING to feel like you need to apply for a bank loan before taking the whole family out to the flicks these days, take heart.

It doesn't have to cost a mint to escape reality for several hours in front of the silver screen, despite the fact that ticket prices are up to $3.50 for a single feature at one of the big, first-run theatres on a Friday or Saturday night.

For the movie freak who's willing to wait a month or so for the splashy films to make it to the neighborhood movie house and isn't embarrassed to be seen slipping into a theatre during daylight hours, there are plenty of bargains to be found.

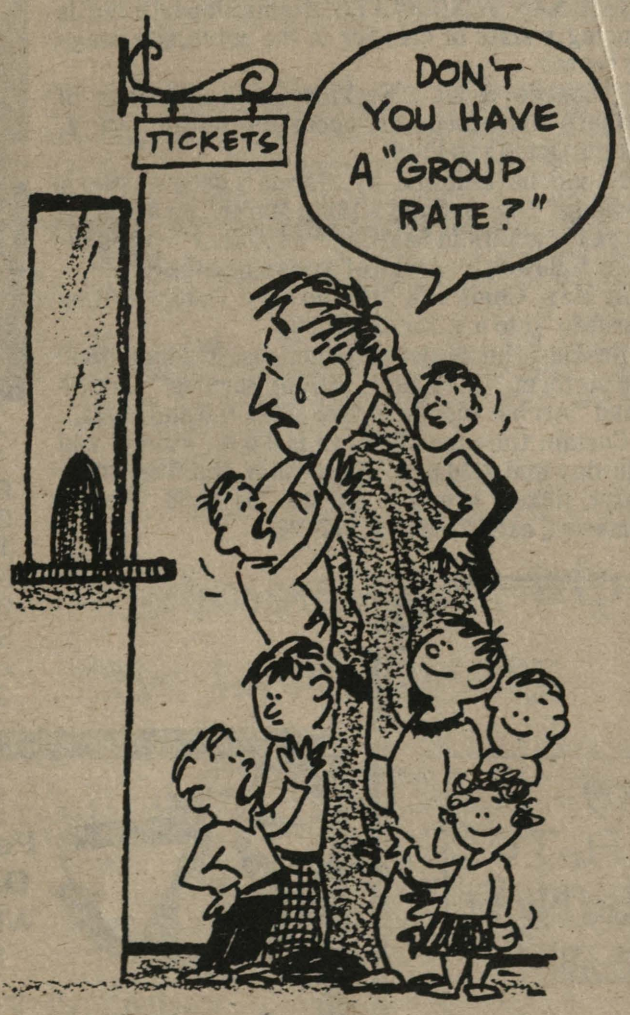
Several local theatre chains, particularly those with a number of small screening rooms in one complex, offer cut rates during the off hours or on special days. One group offers $1 movies every day.

The Meridian Quad on Stevens Creek boulevard charges $1 for all its matinee shows. Get in before 6 p.m. to take advantage of the bargains. Last week you could have seen "Swashbuckler" and "Roster Cogburn" or "The Tenant" and "Lifeguard" among the double feature offerings.

ALMADEN TWIN CINEMAS, Almaden expressway at Curtner avenue, also offers $1 matinees daily, but you have to get in before 5 p.m. "The Exoricst" was playing on one screen and "The Tenant" on another last week on double bills. It's sister theatres, Plaza II, at Winchester boulevard and Budd avenue, have the same policy. "The Man Who Fell to Earth" and "The Great Texas Dynamite Chase" were playing on double bills last week.

If you get to the Pruneyard cinemas between 1 and 2 p.m. tickets are $1.25 daily except Sundays and holidays. Choices last week ranged from "Tunnel Vision" to "The Creature from Black Lake."

The Oakridge Six in the Oakridge Mall on Blossom Hill road has special twilight ticket prices, as do the Saratoga Six in El Paseo de Saratoga on Campbell avenue and the Old Mill Six in the shopping complex with the same name on California avenue. There's a catch, though. Each screening room has its own 30-minute bargain period between 5 and 6 p.m. when prices are $1.50. You'd do well to call first. Featured last week were several first runs like "Harry and Walter Go to New York" and "Tunnel Vision" in addition to films that have been around a while, such as "One Flew Over the Cuckoo's Nest" and "The Bad News Bears."



SUNNYVALE'S HACIENDA CINEMAS on El Camino Real and Cupertino's Oaks Three across from De Anza College are trying to cash in on the Monday night football mania that sweeps perfectly normal households during the fall and winter. They're offering $1 football widow rates on Monday nights. The Oaks also has $1 matinees on weekends 1 to 5 p.m. On the bills last week were "Ode to Billy Joe," "Gumball Rally" and "Lifeguard," among others.

Serra Twin theatres in Milpitas' Serra shopping center has $1 rates Monday and Tuesday nights for double feature bills. Last week "That's Entertainment II" and "Hearts of the West" were on one screen, "Gator" and "Vigilante Force" on the other.

The one place where you can see a double feature for a dollar any day, any time is the Blossom Hill Four Cinemas on Blossom Hill road in San Jose. The films are rarely first runs and last week's offerings ranged from "One Flew Over the Cuckoo's Nest" and "Lenny" to "The Exorcist" and "The Reincarnation of Peter Proud."

REMEMBER BUCK NIGHT at the drive-in, when you crammed the car full of people and split the $1 admission? Two local drive-ins are trying to bring back that tradition. Of course the prices have gone up a bit but the Moonlite Auto Movie in Santa Clara is offering three features for $1.75 per car and Tropicaire drive-in on Alum Rock avenue in East San Jose is offering the same for $2. The selection, however, is nothing to rave about. Last week Moonlite had "The Man Who Fell to Earth," "Trackdown," and "The Longest Yard." Tropicaire had "The Exorcist" and "Outlaw Josey Wales" as its top draws.

If even those prices put a strain on your budget, or if you prefer classics to second-run and B-grade flicks, there are many places in this area where you can see movies for free or for under a dollar. They're your neighborhood libraries or area colleges. The library offerings run to classics or short subjects most often, while the colleges feature both art films and recent popular movies.

San Jose State University has the most comprehensive film offerings.

Some Mondays and every Thursday this semester, the associated students and the New College are screening films on the theme of "The Myth of the Hero in American Cinema" at 8 p.m. in Morris Dailey Auditorium in the Tower building at the center of campus. The Monday films are 50 cents, the Thursday films free. The series began with Douglas Fairbanks in "The Mark of Zorro" and winds up with Gary Cooper in "High Noon" and Clint Eastwood in "High Plains Drifter" Dec. 2. This Thursday, Humphrey Bogart stars in "The Big Sleep."

ON TUESDAY NIGHTS, free films are shown in the Student Union ballroom. Offerings range from a "Betty Boop Mosaic" to "The Red Balloon" and "The 39 Steps."

You don't have to blow the monthly entertainment budget on one movie

(Continued from page 1)

Fifty cent movies are shown every Monday night at 7 and 10 p.m. at Morris Dailey. Next week's flick is "Ride the High Country."

The more popular films are scheduled for Wednesdays at 2:30, 7 and 10 p.m. and Fridays at 7 and 10 p.m. in Morris Dailey. Tonight (Wednesday) "One Flew Over the Cuckoo's Nest" is playing. Like all Wednesday programs, the price is $1. Friday's film is "The Wind and the Lion," also $1, as are most Friday flicks.

For information about any of the offerings, call the Student Union information center, 277-3228.

The University of Santa Clara's film society shows old flicks Monday nights at 7 p.m. in Daly Science Auditorium for $1 or $6 for a season ticket for 12 films. "Stage Coach" and "High Noon" are slated for next week.

ON FRIDAY AND SATURDAY, more recent films are shown in Daly Science Auditorium at 7 p.m. Among the titles to be shown this semester are "The Way We Were," "Oliver!" and "Give Me Shelter." For information about either series, call the college's information center at 984-4264.

De Anza College students present films every Friday night for $1 in various auditoriums on campus. This week they're screening "2001: Space Odyssey" at 8 p.m. in Flint Center.

Foothill College screens a special film on the third Friday of each month and charges $1.50. "Witchcraft through the Ages" is the offering Oct. 15 at 8:30 p.m. in Foothill's Appreciation Hall.

San Jose City College shows world travel films one Sunday each month at 2:30 p.m. at the Evergreen campus and 7:30 p.m. at the main campus. The series begins Sunday, Oct. 10 with "The Sea and Shore of Baja." Tickets are $1.50 general admission, 75 cents for students from other high schools and colleges and free for anyone affiliated with the college district.

Armchair traveling is also the theme for a film series at Flint Center on the De Anza campus one Sunday evening each month. Tickets are $12 general admission for the eight-film series, $6 for students and senior citizens. Call the Flint box office at 257-9555.

The flavors of Greece to be presented at county fairgrounds

GREECE IS NO FARTHER AWAY than the Santa Clara county fairgrounds this weekend.

The delights of honey-soaked and nut-encrusted pastries, spicy lamb shish kabob, stuffed grape leaves and moussaka are as close as St. Nicholas Greek Orthodox Church's sixth annual Greek festival in the fairgrounds' exposition hall Saturday and Sunday.

Food is the star here. Church members work weeks ahead of time preparing the dolmathes and baklava for their major fund raising effort of the year.

Tables will groan with a tantalizing array of Greek foods, from pastitsio (a Greek version of lasagna) to yeros, a spicy combination of barbecued meats served as a sandwich on pita bread. For the sweet tooth, there will be the customary cinnamon-laced baklava as well as more exotic pastries with names like kataife, karethopita, and loukoumathes.

The exposition hall may be sadly lacking in any sort of atmosphere of its own but there will be music and dancing to lift the spirits and contribute an authentic Greek note to the festivities.

The taverna will offer another boost to the spirits with its piney Greek wine retsina, licorice-flavored ouzo or traditional brandy, Metaxa.

The two-day festival will also feature imported and handcrafted items for sale, an art show and replicas of a Greek Orthodox chapel and typical Greek home.

The celebration begins at noon each day. Admission is $1.50 for adults and 75 cents for children 6 to 12.

To get to the fairgrounds, take Highway 101 south through San Jose to the Tully road west exit. The fairgrounds are on Tully at Seventh street.

International movie-makers represented at SF festival

By MARGIE HYDE

THE BAY AREA'S BIGGEST film event of the year kicks off next Wednesday with the American premiere of the Australian movie, "Caddie" at the Palace of Fine Arts in San Francisco.

The San Francisco International Film Festival's opening night is already sold out. But tickets are still available for the week and a half of film related festivities.

Twenty-four new feature-length films will be screened between Oct. 13 and 24. Fifteen will be American premieres. Among the 17 countries represented is the People's Republic of China, which is offering "The Panda," its first participation in the festival's official evening program.

"The Panda" will be shown as part of a double feature with the United States documentary, "Old Treasures from New China," about the archaeological exhibit which visited the DeYoung Museum last year.

One of the highlights of the festival will be the showing on Oct. 15 of "Hollywood on Trial," a documentary about the blacklisting of the Hollywood Ten. Following the showing of this film there will be a discussion with the audience featuring principals in the making of the film and in the Hollywood Ten case.

Short films will precede most of the evening features. At least half of these were made by San Francisco filmmakers.

AS A SPECIAL FEATURE of the festival's 20th birthday, a retrospective of past festival favorites will be presented daily at 10 a.m. for no charge. These will include: "La Strada," "Black Orpheus," "Shadows of Forgotten Ancestors," "Elvira Madigan," "Closely Watched Trains," and "Weekend."

A number of directors will be present for the showing of their films. Several other movie personalities will also present programs, including Burt Lancaster, Natalie Wood, and Roger Vadim. Jeanne Moreau will attend the showing of "Lumiere" which she wrote, directed, and starred in. Dyan Cannon will present the first film she has written and directed, "Number One," a recent hit at the Women's Film Festival in New York. After the showing, she will discuss the film with the audience. Jack Nicholson will attend on Oct. 16.

Following the successful pioneer arrangement of last year, the festival is again cooperating with the University of California Extension Center for a class titled "New Directors in and out of the Studio" (X422). The instructor is Richard Johnson and the two sessions will feature: on Oct. 16, Claude Miller and possibly Jeanne Moreau, and on Oct. 23, Jerome Laperrousaz and Pierre Rissient.

Tickets are available at Top Hat Tickets, 140 W. San Carlos, and at San Jose box office, Town and Country Village, as well as the Fine Arts box office, 141 Kearny, San Francisco and other locations in the Bay Area. Tickets are: evening programs $4; all 1 p.m. programs $3; student tickets $2; all other daytime programs free.

GRAND OPENING

Fri.-Sat.-Sun.
Oct. 8, 9, 10

A Unique Japanese Steak & Seafood Restaurant

Specializing in . . . Teppan Yaki Cooking

Teppan cooking features the preparation and cooking of your favorite meats and seafoods ***in front of you*** at a specially designed table.

The food is cut in bite-sized portions so that chopsticks may be used to eat the meal. Only fresh vegetables, all cooked in your presence, are served. The seasonings and sauces are carefully blended to bring out the flavor highlights in the food.

Teppan cooking started in early Japanese history when warriors cooked their food on sheets of metal on the battlefield. When metal sheets were not available, their metal helmets known as "Kabuto," were placed over the fire, and meat, fish and vegetables were placed on top and cooked. This was the start of "Kabuto Yaki" or helmet cooking.

Merit Cigarette Sets New Taste Standard.

'Enriched Flavor'™ breakthrough brings unprecedented taste to low tar smoking.

Today there's a way to get real taste from a cigarette without high tar.

That's the report on a new taste discovery called 'Enriched Flavor.' *A way to pack flavor—extra flavor—into tobacco without the usual corresponding increase in tar.*

The cigarette packed with 'Enriched Flavor' tobacco is remarkable new MERIT.

If you smoke, you'll be interested.

Tests Verify Taste

In tests involving thousands of smokers of filter cigarettes, the majority reported MERIT delivered more taste than five current leading low tar cigarettes having all the way up to 60% more tar.

Repeat: delivered more taste.

In similar tests against 11 mg. to 15 mg. menthol brands, MERIT MENTHOL was reported to deliver as much—*or more*—taste than the higher tar brands tested.

You've been smoking "low tar, good taste" claims long enough.

Now smoke the cigarette. MERIT.

Unprecedented flavor at 9 mg. tar.

One of the lowest tar levels in smoking today.

OFF TO AFRICA this week are Gretchen Mack and Gina Ambrose, shown above with Danny Leonhardt and Rodney Fairchild, two of their small students at the Water Babies Swim School in Campbell. The local mother and daughter swim teaching team have been invited to hold a teaching clinic in South Africa later this month for swim instructors in that African country. The clinic is being sponsored by the Transvaal recreation district and a private swim school recreation district and a private swim school. According to Mrs. Mack, "We're very excited at this invitation. To us it's like reaching friendly hands across nations."

Local IBM plant is not 'fuelish'

CAMPBELL'S IBM plant has received a special award from the Federal Energy Administration, for the second year in a row.

According to FEA spokesmen, the local plant achieved more than a 44 per cent reduction in energy use during 1975, or 3.6 million kilowatt hours of electrical power. This is enough electrical energy to supply about 500 Bay Area households for one year.

The plant, and its 180 employees, were honored at ceremonies held in San Jose recently.

According to an IBM report, the savings were accomplished by lowering light levels; setting thermostats for 68 degrees in winter, 78 degrees in summer; off-hour shutdown of equipment and removal of unneeded equipment.

Former nazi speaks

FORMER Nazi Commander Helmut Schmitz will be the guest speaker this Sunday, Oct. 10 at the Saratoga Avenue Baptist Church, 1735 Saratoga ave.

The cost of heating a house is still going up. Hot air rises, too. That's why the attic is often where most home heat-loss takes place. Insulating an unfinished attic up to R-19, the recommended standard, can save up to 25% of your heat. And you'll be more comfortable.

In a typical California house it should cost about $300 to $400 if you get a qualified contractor to do it. Less if you do it yourself.

So send for our free insulation booklet. It tells you how to check whether your insulation is adequate, and if not, what to do.

PG&E wants to help you save energy and keep your bills from going out of sight. Get the facts. What you don't know can cost you. And that's not hot air.

Bedevil your friends in two easy lessons

The nose knows that Halloween is just around the corner and Community Services is offering a course in Creating Your Own Halloween Make-Up this year. Left, Chris Moller (Pinocchio) gets a finishing touch from Instructor Kay Hofer while, below, KC Cote (witch) and Dave Valkenaar (devil) show their ghastly garb. The course will be held on two Saturdays, Oct. 23 and 30, from 9:30 to noon in the Campbell library community room. Fee is $7 for both lessons including make-up or $4.50 each if more than one member of the family is signed up. For information call 378-8141, ext. 252.

You can't send a jet C.O.D.

(Continued from page 1)

dalism and the wear and tear of pretend pilots, the jet has become a safety hazard. One staffer reports, "The F-84 has many sharp jagged pieces of sheet metal in the cockpit section. I have seen two children cut on these sharp edges."

HANK WEST, field maintenance supervisor for the public works department, reports last year the city spent $599 in labor costs alone trying to keep the trainer safe. And the 13 year total labor costs are $6,719.

After hearing staff recommendations that the plane be removed, the Commission decided to contact the benefactor, the U.S. Air Force base in Arizona, and ask them to either pick it up or have it removed.

A report on the response is expected at the Wednesday, Oct. 13 meeting of the Commission.

A CLOSER look at the children's play equipment at Campbell park shows why the city's concerned.

Along with the regular swap corner ads we'll be starting SUPER SWAP this week. The idea is to trade up each week for a slightly more valuable item. At the end of 20 weeks, or when we run out of swappers, the SUPER SWAP item will be donated to a charitable organization serving the Campbell area.

For a starter . . . we have five books of S & H Green Stamps (value $15). What will you trade?

Dance and feast at Greek festival

THE SIGHTS and sounds of Greece will abound at the county fairgrounds this weekend as the annual Greek Festival gets underway.

The event will be held on Saturday and Sunday, October 9 and 10 from noon on. Admission is $1.50 for adults and 75 cents for children 6 to 12. Those under six are free. All proceeds will go to charitable projects of the St. Nicholas Greek Orthodox Church.

Among planned events are scores of authentic Greek delicacies, including dolmathes (stuffed grape leaves) and pastitsio (a Greek version of lasagna), pastries and musical entertainment throughout the day. Several groups will perform Greek folk dancing during the sixth annual event and sale booths, an art show and even collections of rare Greek stamps and coins go on display.

WHIPPING up some rolls for the Greek Festival this weekend is Pat Enos of Campbell, one of hundreds of individuals taking part in the two-day event at the county fairgrounds.
